

About the Organization

We believe it's possible to incorporate your faith and values with your decisions about money.

Everence® serves individuals, organizations and congregations that share the stewardship principle that all we are and all we have are from God (Psalm 24) – a historic biblical belief of Mennonite/Anabaptist Christians. Everence products and services are comprehensive and open to anyone who is interested in practicing stewardship that aligns with our founding values.

While not a requirement of Everence membership, many of our members belong to denominations and associated credentialing bodies that have historic roots or relationships with the Anabaptist faith community.

Cultivating Community: When you work with us, you're not only making a difference in your own stewardship journey. You're also making a difference in the lives of others, by being part of unique programs that benefit the communities around us.

Trusted Experience: Since 1945, Everence and our members have been making a difference in the world. In an era when confidence in financial institutions is waning, many of our members report high levels of trust in our organization and representatives – and we intend to keep doing that for a long time. We're built on a solid foundation for the journey ahead.
