

About the Organization

Since 1982, we've operated the Ephrata Re-Uzit Shop, located in historic downtown Ephrata at 20 East Main Street. The downtown store sells quality clothing, housewares, and many other small items at affordable prices. New stock is added daily--you can always find a unique item at a great price at the Ephrata Re-Uzit Shop!

The Ephrata Re-Uzit Stores Inc. Furniture & Books store, located just minutes from downtown Ephrata at 1054 South State Street, is the area's best place to find a wide selection of quality furniture in a variety of styles--all at excellent prices! The store also features nearly 900 square feet of used books for you to peruse and purchase!

The third Ephrata Re-Uzit Stores division, Booksavers, is a book processing warehouse in the back of the Furniture & Books store. Booksavers collects donated books in bulk from schools and libraries, as well as books from individuals and families, and processes them to either sell online (on Amazon, Barnes & Noble's website, etc) or in the Furniture & Books store! Anything that can't be sold is recycled--last year, Booksavers saved over 300 tons of paper from our landfills!

Internship Details

As an intern at Re-Uzit, you would be involved in day to day operations based on your skills and interests. Responsibilities include customer service, floor management, sorting and organizing donations, and managing an up-cycling initiative.

We can collect a more detailed job description if this position interests you!
