

About the Organization

IU13 is proud to be the lead agency in a partnership to create a community center housed at Reynolds Middle School (School District of Lancaster) with a focus on refugees and immigrants, with the mission to engage community members in opportunities for education, integration, wellness, and work leading to self-sufficiency and enrichment.

The Refugee Center and Community School at Reynolds works to connect families and schools with community resources to promote student success and to provide integration services for refugee and immigrant populations in Lancaster City.

Services and supports include:

- Helping children succeed in school
 - Extended day programming
 - Uniform bank
 - Support for connecting to school and advocating for their child's education
 - Additional ESL services before or after school
- Helping families meet their daily needs
 - Health services
 - Wellness groups
 - Financial literacy workshops
 - Empower Kits, provided by Power Packs
 - Parent workshops
- Helping adults join our community
 - Cultural navigation
 - English as a Second Language (ESL) classes for adults
